

Dear Webb Family and Friends

07/06/2019

First I would like to thank all of you who have responded with comments and suggestions as to how we should address the financial obligations of the 2019 Webb Family Reunion going forward. As you know, the April 20, 2019 deadline was the deciding point to move forward or cancel the reunion all together. The reunion host and committee heads have worked long and diligently to bring the Webb Family to Disney Springs, Orlando Florida and were well aware of the financial challenge facing the family. Disney Springs is a world renown outdoor shopping, dinning, and entertainment complex at the Walt Disney World Resort! It is quite a financial challenge to bring the reunion to this environment to say the least. As I pointed out earlier, the cost per adult should have been set to \$135.53 to meet an estimated financial reunion obligation of \$4,793.50. But the reunion host had decided to make the reunion more affordable by setting the cost per adult to \$90.00. Thus, we had to rely on outside resources to cover the deficiency. I am please to inform you, praise the Lord, that those outside resources have been made available! Our God has told us that He will never leave us nor forsake us (Josh 1:5, Deut 31:8).

Because our God has been so gracious to us, we would like to be gracious to the family. Therefore, we have decided to open up the reunion **picnic** to all family members! We only ask that family and friends who have paid their reunion fee be served first. We want this to be a festive and joyous occasion for all and would like to see representation from all five branches of the family (i.e. JOHNSON, WOODS, WEBB, STAMPER and the GORDON Family). Please do not let this moment pass without you being a part of making history and memories for ourselves and our children and for family members that have not yet been born. There will be music, plenty of food, and we also plan to have competition in volleyball, table tennis, and shooting pool on the outdoor pool table. All winners will be presented with prizes! I can not stress this more, that because our God is gracious to us, we can give back to our God an expression of gratitude by showing up!! The picnic will still be catered by Four Rivers but they will barbecue at their facility on the day of the picnic. All of the prepared food by Four Rivers will be brought out to the park between 2pm and 3pm. In addition, the family will be barbecuing ribs,sausages, hot-dogs and will provide sides such as potato salad, barbecue baked beans, green beans and other sides and dessert from 8 am to 2pm.

Let us be mindful of the park policies, namely, cleanliness. Before we proceed to our evening festivities at CITYWALK, let's return the park to "DR. Philip's Community" the way we found it. Seating on the bus to CITYWALK will be limited, therefore, if you have not made your reservation (i.e. RSVP to Linda Gordon) please do so at this time; otherwise, you will be responsible for your own transportation.

One final note about your interest in visiting Walt Disney on Sunday. Tickets are currently priced at \$124.61 per adult. Keep in mind that the Walt Disney Theme Park was not included in the reunion fees and will have to be the responsibility of each family.

Looking to seeing all of you at the reunion, and please be safe in all of your travels. May God bless you and keep and shine His face upon you.

Peace and Blessings,
Charles Gordon Jr.
